DISTINCTIVE DECORATIVE LIGHTING

2020 COLLECTION

## Profile

Being a professional designer and manufacturer of decorative lighting, Valö Lighting aims at offering various styles of lamps to meet the market demand for unique products. Our R&D department has a gift for bringing up fresh ideas which set the trend in home decoration.

Drawing inspiration from their individual multicultural backgrounds and experiences, our designers come up with more than a hundred of designs every year with quality, safety and pricing in mind as core parameters. Endowed with all these and the strengths in the work of metal, plating and painting, Valö Lighting definitively positions itself as a key supplier of quality lamps for customers of various categories.

Valö Lighting attaches great importance to customer service ensuring efficient communication, controlled sampling process/production and on-time delivery, all of which are the prerequisites for a smooth business and reliable partnership.
